Statement of Support – High School Students

University of California Online Education (UCOE) courses are university level courses, developed and designed to UC quality and performance standards for UC students. High school students wishing to enroll in a UC Online course are required to obtain a supporting statement from a teacher or administrator (such as guidance counselor, vice-principal, or principal) at their high school.

This form must be completed and submitted by a teacher or administrator to UCOE 14 days before the first day of course instruction. Incomplete forms will not be accepted. Applicants without this form on file by the deadline will be automatically dropped from the class.
